The Dy. Comr., Shimoga Dt., has ordered the Sub-Divn. Officer, Shimoga, to take necessary action, and to submit a report. (Dl. Dis. Insp. I. C 364 of 36-37 dated 25th Aug. 1936). | L

| L

It is not therefore clear why the Inspr. Genl. wants the decree of the Munsiff's Court, Shimoga, to be enforced, although it is disadvantageous to the Matt. The Matt has to give up some of its lands and its claim to arrears of rent amounting to Rs 1726-5-5, besides paying a sum of Rs 50 per annum, if the decree is enforced. By enforcing the decree Govt. admit the claim of Sri. Yegnanarayana Dikshit to the lands awarded to him as a result of the compromise. It is therefore a point for consideration whether such a course will not estop Govt. from denying his claim and thereby prevent the resumption of lands.

5 From the information furnished in the several reports made by the Sett Agent, it appears the Compromise effects certain alienations in favour of the Plff. It may be perhaps legally possible to get rid of these alienations under Sec 30 of Regn VII of 1927 but the difficulty will be to work out the benefits derived under the Compromise by the Petr. If these benefits could be otherwise secured, it may be perhaps desirable to get rid of the entire Compromise and settle the dispute in accordance with legal rights & liabilities. However to give any definite advice in the matter, the references called for above are necessary.

The question for
consideration is whether the decree assigned
to the Mutt by Mr Yegna narayan Aikoni
may be executed without prejudice to
the enquiry that is proceeding under
section 30 of the Regn VII of 1927.

I think the question
should be answered in the affirmative.
The inquiry from Revenue Officer under
section 30, has nothing to do with the
execution of the decree in question which
would be an act of the Mutt. As things
stand, the compromise decree will be

binding between the parties to the compromise, until the arrangement thereunder is possibly disturbed as a result of the inquiry under Section 30. But till such a contingency happens, it is necessary and desirable that the decrees in question should not be allowed to be barred by time, and that execution proceedings should be taken.

17 I may however observe that the Mutt cannot equitably have the benefits of both the compromise decree and an inquiry under Section 30 - If as a result of an inquiry under Sec. 30, all the Inam lands in dispute are restored to the Mutt, even the circumstances may demand that the Mutt should render accounts to Mr. Yegnanarayana Dikshit, regarding some of the benefits which it had derived under the compromise decree. At that stage it would not be advantageous to the Mutt to find that the decrees which had been assigned in its favour, under the Compromise decree, have been allowed to be barred by time.

2) There seem to be only two things to be attended to in this case. Viz execution of the decree and holding of an enquiry under S. 30 of the Regulations. Both these things have to be attended to, by Govt itself but only in different capacities. In the matter of execution of the decree, since the Trust is now under Govt. management as the Agent of the Trust Govt will have to execute the decree and realise the decree amounts as best it could, as otherwise it may be liable to the Trust, for its latches in this respect. Regarding holding an enquiry under S. 30. of the Regulations, Govt/Government is the chief controlling Revenue authority (Government power) under S. 3 of the

Muz. Mis. 208/36-37.

Government VS Yagnanarayan Likshit.

Re: the resumption of certain Inam lands of Hangrahal Inam village endowed to Kudli Sringeri Mutt.

I have heard the arguments of Mr. H. Ranganatha Rao Counsel for the opponent and perused the records.

Hangrahal is an Inam village in Kumsi Sub Taluk endowed for the support of the Kudli Sringeri Mutt.

The Survey Numbers noted in the margin were granted to Subba Likshit the father of the opponent by means of a "Danapatra" by the Swamy of the Mutt in the year 1860-61. It is seen from the records that in the year 1882 when an attempt was made to take possession of the lands Subba Likshit declined to restore the lands to the Mutt (vide his statement dated 18-8-1882)

S.Nos. 2, 3, 4, 5, 6, 7, 123, 124, 125 and 90/2
(Maji S.Nos. 2,3,4,5,6,99, 100, 101 and 70 part)
of Hangrahal village.

Thereupon a notice dated 18-8-82 was issued by the Deputy Commissioner to Subbalikshit informing him that the alienation of these lands was illegal as per terms of the Chief Commissioner's No. 7480/24 dated 17-11-1877 and that the grant was cancelled. The grantee was also directed to surrender the lands to the Mutt within 6 months from the date of service of notice. It is seen from the copy of order No. 576 dated 10-8-82 by the Deputy Commissioner to the Amildar Honnali that the above notice was sent to the Amildar for service on the party and the Amildar has been directed to give possession of the lands to the Mutt. It is further seen that Sankara Sastri Agent of the Mutt took possession of the properties. (vide his receipt No. 12/1816 dated 25-4-1894). It is therefore clear from the above that the free grant of the lands made by the Mutt to the opponent's father was cancelled and the lands were restored to the Mutt.

It

between the Mutt and the opponent be in Civil and Criminal Courts for over 20 years about these Inam lands and that both the parties have sustained heavy expenses in this connection. Finally as a result of a compromise between the parties, a decree was passed to put an end to all the litigations Vide O.S. 196 of 30-31, on the file of the Munsiff, Shimoga. It was been agreed amongst other things that the opponent should continue to be in possession of the disputed lands subject to the payment of only cesses, that the accumulated arrears on the lands in the enubhava of the opponent till the date of compromise need not be paid by him and that the opponent should pay Kandayam from "ಶಾಲಿವಾಹನ ಶಕ" and onwards. The Deputy Amildar Kumta submitted a report on 11-3-35 soliciting instructions as to whether the sum of 1726-6-5 due from the opponent upto 31-32 may be remitted as amicably settled as per "ರಾಜಿನಾಮೆ" presented to the Munsiff Court. The Deputy Amildar was directed to address the Government Agent in the matter and to take further action for the recovery of the arrears. Accordingly he made a reference to the Government Agent on 16-4-35 for furnishing his opinion. On this reference, the Government Agent submitted a report to the Muzarai Commissioner in his No. 367/3-1-36 stating that circumstances under which the compromise was effected between the Mutt and the opponent and suggested that the case may be treated as an alienation, as sanction of Government has not been obtained for making the free gift of lands belonging to the Mutt. The Muzarai Commissioner in his No. C. 196/35-36 dated has ordered to treat this as an alienation and to take action under section 30 of the Mysore Religious and Charitable Institutions Regulation.

The case was taken on file and enquiries were held in the mat The counsel for the opponent has filed a written statement and memo of arguments.

The grounds of the opponents are:-

1. That the inam lands now in possession of the opponent were

gifted so long back as 1852 to the father of the opponent by the Swami of the Mutt, and to legalise and specify the extent of grant, a deed of grant of 1860-61 came into existence.

2. That the opponent has filed a copy of the inam title deed., that the Commissioner has confirmed the Inam which included the minor inam granted to the opponent's father and that the lands granted are held free.

3. That the inam was granted in favour of the opponent's father in the year 1852 by means of a deed of grant as stated by Subba Liksnit in his statement in Criminal Mis. 44/27-28 and that the inam lands were in their possession from 1852 without any disturbance as to their possession.

4. That he is in possession of the lands for over 100 years and that the Government has no power to take action under the Religious and Charitable endowment Regulation as per Proviso to section 10 of the above act.

5. That in the compromise petition it is stated that he should continue to be in possession of the lands and enjoy the same free of rent as before.

6. That so long as the decree (O.S. 196/30-31) is in force, it is not open to any one to question the right of this opponent to his present possession and that the lands cannot be resumed.

7. That the Government having the Mutt's management cannot raise fresh issues when the matter has been set at rest.

Section 10 para 2 of the Religious and Charitable Institutions Regulation lays down "that the alienations made prior to 31st day of January 1853 shall be dealt with in accordance with the Inam rules contained in Chief Commissioner's Notification No. 266 dated 17-11-1877.

Rule II A of the Chief Commissioner's Notification No. 266 dated 17-11-1877 reads that "where such alienation made prior to the 31st January 1853 but within 60 years computing the period of possession upto 14-12-1867 the lands or villages so alienated will

the Jodi or assessment so imposed being payable direct to the institution from which they were alienated" But this rule is not applicable in the present case, as the alienation Has taken place subsequent to 1853, as a deed of grant has come into existence in 1860-61 for the first time. The opponent merely states that the inam lands were in his possession from a time so long ~~x~~ ago as 183/ This is a contention whihh cannot be accepted as there is no satisfactory proof of the same.

In regular Appeal No. 155 of 24-25 Keshava Iyengar Vs the Deputy Commissioner and Muzarai Officer, etc. Vol. 34 of the Mysore Chief Court Reports, dated 7-9-1928, a case of a similar nature has been decided as per section 14 of the old Muzarai Regulation and on the Chief Commissioner's Notification of 1877., Section 10 of the present Regulation corresponds with section 14 of the previous regulation. The learned Counsel for the opponent contends that the Chief Commissioner's Notification referred to above has been repealed with the passing of the present Regulation. This ~~x~~ view is unsupported by any satisfactory authority.

It is to be pointed out here t at such grants are not governed by section 10 para 2 of the Religious and Charitable Institutions Act., but they are governed as per terms of section 30 of the same act. According to this section, a grant whihh is made without the previous sanction of Government is null and void. Section 30 referred to above is subject to the provision ~~xx~~ that alienationsmade prior to 31st January 1853 shall be dealt with in accordance with the Inam Rules contained in the Chief Commissioner's Notification No. 266 dated 17-11-1877.

The opponent contends that the lands have been granted by

means

(52)

means of a deed of gift by the Swamiji of the Mutt. In the compromise petition presented by the opponent and the Mutt authorities, it has been stated that he should be continued to be in possession of the lands free of rent as before and it has been decreed accordingly by the Munsiff in O.S. 196/30-31 and that the lands cannot be resumed by Government when the matter has already been disposed of. But it is to be pointed out here that Government is not a party to this compromise, Hangrahal is an Inam village granted by the Government for the up-keep of the Mutt. The swami of the Mutt cannot alienate the lands and if such lands are alienated without the sanction of the Government, the grant shall be null and void as already stated above.

In the present case, the opponent has been granted lands by means of a "pana patra" by the Swami of the Mutt in the year 1860-61. Even if the compromise has been entered into is in June 1932, according to which some lands in this village have been given free of rent or assessment, this compromise is a unauthorised and prejudicial to the interest of the Mutt. As sanction of Government has not been obtained to these grants, they have to be considered as alienations Vide Rule 30 of Muzarai Regulation.

Under these circumstances, I consider that the transactions are illegal and contrary to the provisions of the Muzarai Regulation and as such I direct that the lands should be resumed and restored to the Mutt under Section 30 of the Muzarai Religious and Charitable Institutions Act of 1927.

2. As regards the question of resumption of the inam lands, the Deputy Commissioner, Shimoga District, in his letter No.Muz.App.1/38-39 dated 26-4-1939 (copy together with ~~that of~~ its enclosure enclosed), reports that the party (Yagnanarayana Dikshit) has preferred an appeal against the Order of the Sub Division Officer, directing the resumption of the lands, that the case was taken up and the appellant heard on 1st April 1939.
